

Introducing the Auto Repair Coupon Book Program! Curry's Auto Service is proud to offer a program to our community to support their fundraising efforts. This program is funded by Curry's Auto Service so all sales will go directly to your organization. Here's how it works:

- The organization signs a contract specifying the number of coupon books they would like to sell and sets a sales deadline date.
- They agree to be responsible for the all coupon books and the audit pages that are included in each book.
- Checks and cash collected go directly to the organization. After each sale, the audit page is filled out. These are collected and returned to Curry's at the end of the sale.
- Within 10 days after the sale deadline, the organization will turn in all the audit pages and any unused books.
- Any lost or misplaced books must be refunded to Curry's.
- There are no service, handling, printing, distribution, or admin charges.

Curry's Auto Service will:

- Supply flyers and coupon books and will distribute all materials to the organization.
- Honor all coupons at all Curry's locations: Chantilly, Dulles, Falls Church and Richmond.
- Help fund class reward parties- pizza, ice cream, etc.

Customers may not return the coupon book to Curry's for a refund.
