Curry's Auto Expands to Arlington with Purchase of World Motors Auto

Arlington, VA, May 20, 2009 - Curry's Auto Service has expanded to Arlington with the purchase of World Motors Auto at 4160B South Four Mile Run Road. World Motors opened its doors in 1947 and has continued as a family-owned business even after changing ownership in 2001. The Arlington facility is the fifth Curry's Auto Service location in Northern Virginia.

"Curry's is honored to be a part of World Motors' history and will continue with its mission to educate the consumer and keep them involved in the decision making process," says Matt Curry, President of Curry's Auto Service. "We are also a family owned and operated business. What this means to you is that the Curry family stands behind all the work we do on your vehicle regardless if it's a routine oil change, or a complete engine overhaul."

Vernon Abel, formerly manager of the Falls Church Curry's Auto, is manager of the new Arlington location. Curry's Auto - Arlington is a full-service auto repair facility with brand new, top of the line tire mounting equipment, alignment rack, and diagnostic tools, featuring a new Hunter Tire Changer with an innovative leverless tool head. It is also an official Virginia State Inspection and Emission facility. Curry has redesigned the showroom, created a customer lounge and updated the shop area. Hours of operation are Monday – Friday 7:30 a.m. – 7:00 p.m. and Saturday 8:00a.m. – 4:00 p.m.

Curry's Auto Service is certified by the American Automobile Association (AAA) and the American Service Excellence (ASE) to perform scheduled maintenance and repairs and install performance parts on all European, Asian and domestic vehicles. Curry's has been serving the Northern Virginia area since 1997 with locations in Chantilly, Great Falls/Reston, Falls Church and Gainesville.

The new Arlington Curry's Auto Service shares a common entrance with the Virginia Division of Motor Vehicles. The ballparks of Barcroft Park are immediately behind it. It is two miles from the Shirlington shops, metro stops and restaurants. The location is also accessible to the W&OD bike path, which is directly across the street.

For directions and information, visit www.currysauto.com or call the new location at 703-931-7220.
